Gallery Books, United Kingdom, 2008. Paperback. Book Condition: New. Reprint. 201 x 127 mm. Language: English . Brand New Book. For every woman who's passed off store-bought cakes as her own at the school bake sale comes an honest look at motherhood. In an ideal world, mothers would have time to hand-sew their kids costumes for the school play, prepare all-organic meals, and volunteer in the classroom at the drop of a hat. In reality, most moms have to settle for plopping their little ones in front of SpongeBob so that they can prepare yet another chicken nugget-based dinner, guiltily convinced they're falling down on the job. In Good-Enough Mother, Rene Syler shares how she learned to chuck perfection for practicality. She shows other women seeking to balance family, work, and some semblance of a personal life how to happily join the ranks of good-enough mothers who occasionally serve breakfast for dinner yet give their children plenty of what really matters -- love, time, and support. Whether it's dealing with annoying Super-Moms, bluffing through a third grader's math homework, or coping with the words that strike terror into every parent's heart (Your son's teacher on line one), the welcome empathy and sage advice of Good-Enough Mother will have every modern mom laughing in relief and recognition.
