Garlands and bunting are popular adornments for the home and all types of celebration. Here, Alistair Macdonald has given these traditional decorations a thoroughly modern twist and created 20 fun and fabulous projects that will make an eye-catching addition to any home or party. There are projects that are perfect for kitchens, bathrooms and childrens bedrooms, as well as Christmas, Halloween, Chinese New Year and summer parties. Every one of them is packed full of fun and designed to use a range of materials and fabrics in unique and imaginative ways. Requiring just some basic sewing skills and a great sense of humour, you might choose to make a gorgeous string of 3D hot-air balloons that are just perfect for a child s bedroom, or if you d prefer, a sensational sausage string complete with felt bacon, eggs and mushrooms and hanging teabags that is bound to get your friends and family talking over the breakfast table. There s no end to the author s creativity, and every project in the book is guaranteed to delight and inspire you. At the start of the book there is guidance on materials, fabrics, sewing equipment and basic techniques, and templates are provided where these are needed.
