Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from The Smaller Standard Speller: Containing Classified Exercises for Oral Spelling; Also, Sentences for Silent Spelling, by Writing From Dictation The present Volume, like the larger Standard Speller, has been prepared with the view of combining the advantages of oral spelling with those of silent spelling, by writing from dictation. Many children will spell a word aloud, and be puzzled when told to put it in writing. Now, as we learn spelling chiefly to avoid blunders in writing, and as spelling is better learned by the eye than by the ear, dictation exercises ought to be an inseparable part of instruction. The words of this volume have been very carefully selected: such representative words being given as may be guides to the spelling of large classes of words of a similar sound, while the anomalous, words are so. classified as to be impressed on the memory by association. A pupil thoroughly drilled in the exercises here presented will not be far from being an accomplished speller. The dictation exercises have been written expressly for this volume, and will be found to differ from those in Sargent s larger Speller. The teacher will often find it useful to have the latter work at hand. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
