## A COMMON-SENSE PLATFORM FOR THE 21ST CENTURY

Createspace, United States, 2012. Paperback. Book Condition: New. 198 x 132 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Common-Sense Platform for the 21st Century represents a starting point for true patriots committed to the ideals and principles of the Framers of the U.S. Constitution and the Bill of Rights, as well as the Declaration of Independence. The Platform recognizes the genius of the Founders in anticipating progress to the extent that they included a means for amending the American Constitution while keeping the original ideals and precepts intact, a means that stands in stark opposition to today s attempts to throw the baby out with the bathwater. While additional pressing concerns may be added to (or deleted from) the Platform position statements, as events dictate, the tone and construction of this document harkens back to the remarkable (and refreshingly modern) views and tenets contained in Thomas Paine s 1776 booklet, Common Sense, which greatly influenced the Framers and revolutionized governance throughout the world. Kudos for A Common Sense Platform for the 21st Century This platform for the 21st century could not have arrived at a better time. With the new Congress convening after the holidays, and the next presidential election cycle already under way, this book should be required reading for every elected official, every candidate, campaign worker and, indeed, for every American. Read the whole review at WorldNetDaily // Henry Lamb is the author of The Rise of Global Governance, chairman of Sovereignty International and founder of the Environmental Conservation Organization (ECO) and Freedom21 Inc. A post-election Washington Post survey recently announced that few in the [Tea Party] movement agree on a legislative agenda beyond [merely] downsizing government. Not so. Award-winning author Beverly Eakman has thrown down the gauntlet: In a mere 120 pages,...
