For example, in the debate over gun control, does the right of the people to bear arms as stated in the Second Amendment pertain to individual citizens or regulated militias What do scholars say Should the Internet be regulated and censored, or does this impinge on the freedom of speech as defined in the First Amendment These and other issues vary depending on the interpretation of the Constitution. Through entertaining and informative annotations, THE WORDS WE LIVE BY offers a new way of looking at the Constitution. Its pages reflect a critical, respectful and appreciative look at one of historys greatest documents. THE WORDS WE LIVE BY is filled with a rich and engaging historical perspective along with enough surprises and fascinating facts and illustrations to prove that your Constitution is a living--and entertaining--document.
