

Producing iOS 6 Apps: The Ultimate Roadmap for Both Non-Programmers and Existing Developers

By Unknowncom Inc

Unknowncom Inc., United States, 2012. Paperback. Book Condition: New. 234 x 192 mm. Language: English . Brand New Book ***** Print on Demand *****.Effectively several books bundled into one, written by the entire team of a long-standing app development company, Producing iOS 6 Apps: The Ultimate Roadmap for Both Non-Programmers and Existing Developers makes every effort to provide most anyone with the understanding, recommended tools, and easy to follow step-by-step examples, to learn how to take your app idea from the start to Apple's iTunes App Store. Originally generated from an existing app company's internal and highly-confidential training guide, containing closely guarded app business secrets teaching new employees the business of app design, development lifecycles and methodology. Updated contributions are from the entire staff; development as well as considerable contributions from marketing, management, and even the legal dept. Due to its very nature, this book contains many commonplace and relevant topics to today's app-related business issues, such as the latest legal landmines to avoid, modern app design, the latest in code development, and even avoiding programming altogether for app development - all specific to iOS and the App Store. This fully updated, multi-section book spans many chapters...
