ORGANIC BABY: HEALTHY, HOMEMADE, GLUTEN FREE, TODDLER & BABY FOOD RECIPES (PALEO DIET SOLUTION SERIES)

CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: So you want the whole family to go Organic, and maybe even Paleo or even just Gluten-free, but you're not sure where to begin with your baby or toddler? Well in Organic Baby - Healthy, Homemade, Gluten Free, Toddler & Baby Food Recipes, you're about to discover how to provide your baby and toddler with the most tantalizing and mouthwatering treats and meals so you can rest easy that what they are putting into their bodies is not going to cause serious dietary damage, in fact these recipes will help them grow healthy and strong. Many people who adopt a gluten free eating plan end up abandoning attempts to get their children on board, due to tantrums and huge resistance when it comes to forgoing all the sugary, gluten-stuffed foods they have become accustomed to eating. For me, there is no point to this. If you believe in it strongly enough to adopt its principles for yourself, it is even more important for your kids. Some people have told me they just can't deal with the upset that comes when they refuse to allow their children to eat chocolates and chips and so they give in. So I got thinking and have devised a fool proof methodology that I am going to share with you to facilitate your quest for an organic, gluten free family, starting from Baby, or starting with a Toddler who may already have developed a taste for "forbidden fruits". Armed with this book, which has 36 amazing recipes for babies and toddlers to get you started, you just cannot go wrong. I guarantee that once you have made these recipes for your little ones, you will never...
