Crossway, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "I know of no other book that deals with the issue of preaching to yourself directly, and I can't imagine another book will come along to fill this void better than Note to Self. Pastor Joe Thorn offers a richly pastoral, theological, and practical guide for thinking through the Christian life. After reading Note to Self, you will not only have Joe's notes on how to preach to yourself on issues related to God, others, and yourself, but also you will have a model for practicing the discipline on your own." --Ed Stetzer, President, LifeWay Research; author, Subversive Kingdom "Note to Self is a gospel-guided smart bomb scoring a direct hit on our strongholds of emptiness. But the explosion it detonates is life giving. It clears the way for Christ to enter in with powers of salvation where we really need help." --Raymond C. Ortlund Jr., Lead Pastor, Immanuel Church, Nashville, Tennessee "I am thoroughly engrossed with Joe Thorn's personal meditations on preaching the gospel to oneself. He combines a clear biblical knowledge with an excellent grasp of doctrine from a historical Reformed perspective and is able to press home a rich application of each aspect of truth to the development of personal holiness. These applications are not trite, but arise from knowledge of the church's best soul doctors. My wife and I have been reading this each evening and have profited greatly. Each chapter can be managed in less than five minutes but provides an evening's worth of rich reflection." --Tom J. Nettles, Professor of Historical Theology, The Southern Baptist Theological Seminary; author, By His Grace and for His Glory "Martyn Lloyd-Jones once said that most of your unhappiness is due to the...
