Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 90 pages. OCLC Number: 731181098 Excerpt: . . . 4 OPENING STATEMENT OF HON. RICHARD G. LUGAR, U. S. SENATOR FROM INDIANA UGAR Senator L. Mr. Chairman, I join you in welcoming Secretary Lew, Ambassador Eikenberry, and General Petraeus. We appreciate very much that you have come to the Foreign Relations Committee today. This hearing provides an opportunity to build on the hearing we held last week with Secretaries Clinton and Gates and Admiral Mullen. We explored with them, not only the prospects for success of the civil-military campaign in Afghanistan, but also how the Presidents plan fits into our broader strategic objectives of preventing terrorist attacks and stabilizing the Middle East and South Asia. Much of the debate in Congress has focused on the Presidents stated intention to begin withdrawing some U. S. troops by July 2011. Some members have voiced the concern that such a date undercuts impressions of U. S. resolve, gives the Taliban and al-Qaeda a target beyond which they can wait us out. Other members, with a very different view of the war, worry that July 2011 date is so flexible it offers no assurance that troops will be withdrawn. This is a legitimate item for debate, but I'm doubtful that success or failure hinges on this point nearly as much as it does on the counter-insurgency strategy employed by allied troops, the viability of the Afghan security forces, and, most importantly, how the United States engages with Pakistan. I have confidence that the addition of tens of thousands of United States and allied troops under the direction of Generals Petraeus and McChrystal will improve the security situation on the ground in Afghanistan. More uncertain is whether the training mission will succeed sufficiently...
