Teen on Autumn Falls Autumn's Kiss book two in the AUTUMN FALLS series by Scream star Bella Thorne is perfect for fans of Girl Online, Meg Cabot, and any teen or tween looking for a sweet, silly, and fun read with just a touch of magic! Everyone knows how crazy junior year is, but Autumn Falls never imagined it would be so flirty. Between trying to decode what's going on with her and Sean, not knowing how to react when J.J. tells her he's the one she should be with, and feeling a little starstruck when a pop star makes a major play for her, Autumn is totally confused. But boys are only the half of it. The drama is about to get even BIGGER when she's given an incredible opportunity: a map that takes her anywhere she wants to go. At first it seems like an amazing, crazy-fun gift. But showing up IRL where you're least expected has life-changing consequences. Is Autumn ready to handle the fallout?
