

Massachusetts, Its Historians and Its History: An Object Lesson (Classic Reprint)

Filesize: 3.65 MB

Reviews

If you need to adding benefit, a must buy book. It is really simplified but excitement from the 50 percent of your book. I discovered this book from my dad and i recommended this book to understand.

(Dorothy Sawayn)

MASSACHUSETTS, ITS HISTORIANS AND ITS HISTORY: AN OBJECT LESSON (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Massachusetts, Its Historians and Its History: An Object Lesson On corresponding panels of the inner front of the Water-Gate at the Chicago World s Fair are these two inscriptions, prepared by President Eliot of Harvard, - at the left, as one faces to the east, Civil Liberty The Means of Building up Personal and National Character; at the right, Toleration in Religion The Best Fruit of the last Four Centuries. Obviously, the last is the stronger, much the more comprehensive legend. But, in fact, the causes were, and are, equal as well as inseparable; and it is the struggle for them - for Freedom of Conscience on the one hand, and the Equality of Man before the Law on the other - which constitutes the theme of modern history. Nor does it make much difference where or when or how or by whom the course of that struggle is studied, - though it cannot be studied in too many phases or under too varied conditions, - it is an aspect, and the last great aspect, of human development. One writer of books of history, and one such writer only, so far as I know, has addressed himself to the subject in a comprehensive spirit; and he fell by the way, even as he crossed the threshold. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
