## On Provence

By Henry James

Hesperus Press Ltd. Paperback. Book Condition: new. BRAND NEW, On Provence, Henry James, In 1882, a year after the publication of his wildly successful *The Portrait of a Lady*, which dealt with the difficulties faced by American expatriate Daisy Miller in Europe, Henry James set out a six-week tour of south-eastern France, taking in Tours, Bourges, Nantes, Toulouse and Arles. Although a sometime resident of Paris, James was convinced that the soul of France resided not in the capital but in the provinces, and he set out to find it. Beginning in Touraine, James followed the course of the Rhone north to Burgundy, writing articles on architecture, literature and personal observation that were serialised in *The Atlantic Monthly*. The resulting work is a fascinating patchwork, switching seamlessly between the broad strokes of classic travel writing and the smallest details of human behaviour for which James is best known. *On provence* is at once an excellent example of James' prose writing and an outstanding work of travel writing in its own right.

### Reviews

*This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You wont sense monotony at at any time of your time (that's what catalogues are for relating to should you request me).*

-- **Jaqueline Kerluke**

*I just started looking at this pdf. It can be rally fascinating through studying period of time. Its been printed in an extremely basic way and is particularly only following i finished reading through this publication where in fact altered me, change the way i really believe.*
