## GET UP WITH DETERMINATION AND FIGHT

Soul Science University Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Just like metals and minerals lying deep inside the Earth, there are vast resources lying untapped within each of us. In man s struggles at achieving any desired object, there is in reality no necessity for him to go in quest of external forces to aid him. He has within himself vast resources and powers lying untapped, or else only partially utilized. If he applies his faculties properly and intelligently, he can easily attain his desired goal. One of the most precious of these resources is determination. That s the unmined gold waiting to be tapped. Great personalities who perform uncommon feats, tap into these latent resources. Purpose of this book is to help you do that and light up your soul. Scientists estimate that the average person has conscious control of about 10 of his mental powers, while the rest lie hidden like the bulk of an iceberg floating beneath the surface. Without firm determination, your life is like a rudderless ship, tossing and turning in the ocean of material existence. So many people just drift aimlessly in their lives not knowing what they want or where they want to be. They can learn from a postage stamp whose usefulness consists in the ability to stick to one thing till it gets there. Life in this material world is not a carefree, happy-go-lucky, all-expenses-paid luxurious romp. You have to stick on and fight. A gigantic oak you see today was in fact just a little acorn that held its ground. This book will inspire you to never give up, no matter what.
