This poetry anthology includes both jolly and thought-provoking poems and prayers, old and new, to take the reader on a journey through the Easter season and the themes of faith, new life, love, hope and the joys of Spring. The collection includes poems and prayers that look at the lighter side of the festival, as well as more thoughtful, reflective pieces about the Resurrection. The giftable hardback format makes this a special book to share at home, whilst the wide scope of the poems makes this equally valuable for teachers looking for assembly and classroom resources .
