*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

Graywolf Press,U.S., United States, 2001. Paperback. Book Condition: New. 224 x 137 mm. Language: English . Brand New Book. Winner of the American Book AwardDana Gioia, an internationally known poet and critic, is notably prolific with his essays, reviews, translations, and anthologies. But like his celebrated teacher, Elizabeth Bishop, Gioia is meticulously painstaking and self-critical about his own poems. In an active 25-year career he has published only two previous volumes of poetry. Although Gioia is often recognized as a leading force in the recent revival of rhyme and meter in American poetry, his own work does not fit neatly into any one style. Interrogations at Noon displays an extraordinary range of style and sensibility from rhymed couplets to free verse, from surrealist elegy to satirical ballad. What unites the poems is not a single approach but their resonant musicality and powerful but understated emotion. This new collection explores the uninvited epiphanies of love and marriage, probing the quiet mysteries of a seemingly settled domestic life. Meditating on the inescapable themes of lyric poetry time, mortality, nature, and the contradictions of the human heart Gioia turns them to provocative and unexpected ends.
