LONDON BORN: A MEMOIR OF A FORGOTTEN CITY

HarperCollins Publishers, United Kingdom, 2007. Paperback. Book Condition: New. 196 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.An extraordinary memoir from a man in his nineties who remembers everyday life in a North London now long gone: the hardships and deprivations of a life of poverty but also the resourcefulness and fortitude of a community determined to survive between the wars. When I look back, I can picture the old gels chinwagging on their steps in the Bay like it was yesterday. But, with the aid of his granddaughter Helen Day, Sid has produced an extraordinary memoir of a city and a way of life now lost forever. London Born is a book that has appeared against all the odds - as Sid says, When me granddaughter Helen Day said she wanted to record the story of the first half of me life and turn it into a book I was astonished. I thought to meself, Well, I ve done a lot of things, but I never dreamt I d get into the book game. You see, I can t write more than me own name. In London Born , Sid remembers the city that emerged from the First World War and recreates the daily life of the people living in the notorious street known as Tiger Bay . He describes the drinking and merrymaking, the poverty and unemployment - and the villainry . With relish he relates how youthful high spirits and a refusal to accept the hardship of the times...
