Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. I believe in Christian Theater Ministries. Nothing capture the attention, imagination, minds, and hearts like live theater. From minutes to hours, an audience or congregation goes wherever you want them to - from their own living rooms to the foot of the cross - and with every step, they become part of both story and message. I m convinced there s no better way to excite and nurture God s people than a dramatic, theatrical event. Thankfully, these events don t have to be EVENTS! They can be as simple as flipping a light switch, or as complex as parting the Red Sea. But whatever you have time, energy and resources to produce will make a huge impact for our savior and His people. Theater Ministry helps you, step by step, to get a theater ministry going at your church or Christian school. It looks at where such a ministry has its greatest impact, and the various shapes it can take - from something simple that assists a pastor delivering his message, to an elaborate full length play or musical whose aim is to evangelize a community. Wherever God is leading your creative heart, this book will get you there.
