Damaris Publishing. Paperback. Book Condition: new. BRAND NEW, Spooked: Talking About the Supernatural, Tony Watkins, Nick Pollard, Steve Couch, Louise Crook, Peter S. Williams, Many people today believe in a supernatural dimension to life, yet resist traditional Christian thinking. Others are highly skeptical about the existence of anything that they can't see. Spooked helps Christians engage with both groups, enabling them to see the reality of the supernatural without being distracted by things that go bump in the night. It discusses what the Bible has to say on the subject and also includes chapters and television programs, making it ideal for use by small groups as well as by individuals.
