Tourists all over the world welcome unique creative experiences that enrich and inspire them when they travel. This is called Creative Tourism, and it is different from other types of tourism. But why is it needed, and how does one go about developing it? You'll find answers to these questions and more in this book which is based on and draws from the proceedings of a Santa Fe and UNESCO International Conference on Creative Tourism. Held in Santa Fe, New Mexico, USA, from September 28 to October 2, 2008, this first-of-a-kind conference brought together delegates from sixteen countries around the world to engage in a global conversation about how best to leverage the tourism sector for community and economic development. At a time when activities and initiatives aimed at promoting tourism in a competitive economy have become essential, the notion of Creative Tourism captured in this book offers a life line that cannot and should not be ignored. Creative Tourism: A Global Conversation should be required reading for all tourism and community/economic/cultural development professionals, artists, elected and appointed public officials,...
