## MAELSTROM

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Maelstrom, Anne McCaffrey, Elizabeth Ann Scarborough, The Shongili twins, Ronan and Murel, accompany their friend Marmie on her luxury space craft Piaf to rescue their friend Ke-ola's family from an uninhabitable planet. They arrive to find the planet in the midst of a terrible meteor storm and when they go down to the surface find that the survivors have taken refuge under ground. Ronan and Murel change into seal form and find the survivors and their totem animals or aumakua, the giant turtles, or Honu, and the sharks. Back on Petaybee the twins, in their seal form, escort the Honu to their new home in the middle of the ocean. They also want to warn the otters and seals about the sharks. It is a long journey and Murel falls asleep and gets separated from the rest. She is surrounded by a pod of Orcas who, thinking she is a normal seal, try to eat her. Before they can do so she is caught up in a whirlpool caused by the volcanic activity in the area, as is Ronan, who had swum back to try to rescue her. They are rescued from the whirlpool by the mysterious deep sea otters and taken into their shielded city on the ocean floor. While their leader, Kushtaka, is talking to them her son Jeel sees the sharks and goes to inspect them, Murel races after him but is too late and Jeel is killed. Meanwhile Marmie and her crew are arrested on trumped up charges of kidnapping Ke-ola's family and taken to Gwinnett Incarceration Colony, along with most of the survivors they rescued. When Murel and Ronan return to their family and discover that Marmie has been arrested and the Piaf impounded they realize they need...
