Through this story the reader gains insight into the China of the poor, of women, and of the provinces. The subject of the autobiography, Ning Lao Tai-Tai, is also interesting as she lived in the period, the late 19th to mid 20th century, during which China underwent its most dramatic changes. This is a genuine, warm-blooded, dramatic chronicle of a woman s life, of the life of one of the little people ; their wisdom and hardship and daily toil lighted by affection and gaiety that persist despite the endless pursuit of food and shelter to stay alive.
