Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Good health. Healing powers. Longevity of life. Psychic abilities. If you've ever wished you possessed any or all of these then Carlos J. Ruiz Poleo has good news for you. You've had them since the day you were born! Inborn Powers of Human Beings is Poleo's remarkable explanation of the inexplicable. Through his world travels and personal experiences, he has gathered empirical evidence to prove that each and every person is born with these innate powers-the only limitation is the natural ability and capacity to use them. Many of these powers are commonly known as paranormal, even though they've been replicated in research laboratories. Exceptional human functions (EHF) are not a benefit of subscribing to any creed or religion. They are in you. All you have to do is understand and steward them. In his book, Poleo will first educate you on the concepts of systems and energy and then show you how to begin to control your inborn powers with a Chinese science called Qi-Gong. From this point, you will embark upon a journey toward maximizing your mind, body, and spirit capabilities to live a life you never thought possible.
