Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

THE TROUBLE WITH POETRY AND OTHER POEMS

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, The Trouble with Poetry and Other Poems, Billy Collins, The "Trouble with Poetry" is the new collection from probably the most popular poet in the entire planet, and finds everyone's favourite contemporary Pre-Socratic in as funny and wise (and sometimes joyfully silly) form as ever. Billy Collins's tone is inimitable. Drawled and knowing, yet without a hint of world-weariness or cynicism, he fearlessly addresses the reader as friend and intimate - and comrade, inviting them to square up to the various collective crises of the bald ape in the 21st century. Collins remains the only poet who can write about the next-to-nothing of our lives, the little boredoms, habits and frustrations of our daily and domestic existence, revealing their true importance and meaning - and demonstrating that the same historical and cosmic forces bear upon them as upon the great events of the age. 'Billy Collins is one of my favourite poets in the world.' - Carol Ann Duffy. 'I'd follow this man's mind anywhere.' - Michael Donaghy. 'Billy Collins's poems describe all the worlds that are and were and some others besides.' - John Updike.
