Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Taylor Trade Publishing. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 8.4in. x 5.5in. x 0.8in. In this new edition updated through the teams spectacular win at the 2012 London Olympics Clemente A. Lisi examines how the sport of womens soccer has gained popularity over the past few decades. While other books have been written about the team during a specific year, such as those focused solely on the 1999 World Cup win on U. S. soil, Lisi details the programs infancy and how it steadily became a model for womens teams around the globe. Beginning with the start of the U. S. program in 1985, Lisi recounts the development of the womens team, highlighted by their two first place finishes in the Womens World Cups (1991 and 1999) and four Olympic womens gold medals (1996, 2004, 2008, and 2012). In addition to chronicling the history of the team as a whole, this book offers mini profiles and photographs of some of the best players over the years, including Julie Foudy, Amy Rodriguez, Hope Solo, and Mia Hamm. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
