Reviews

It is one of the most popular ebooks. Better than ever, though I am quite late in starting to read this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, At Home with Punctuation (7-9), Sarah Lindsay, At Home With Punctuation is a fun activity workbook for children, aged 7-9 years, to do at home. Using different themes and a variety of progressive tasks such as filling in missing words and punctuation marks, copying, and building sentences, children learn about the correct use of commas, apostrophes, speech marks, contractions, capital letters, and much more. The 2-colour illustrations and highlighted words encourage development of literacy skills in a fun and easy way. The illustrated step-by-step activities are age-appropriate for children to work through on their own, or equally perfect to do together with an adult giving encouragement. This book is ideal to build confidence in writing at primary school.
