Filesize: 8.62 MB

### ***Reviews***

*These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.*

*(Dr. Porter Mitchell)*

## MANAGING PAIN: A USER'S GUIDE TO ACUPUNCTURE

Gibson Square Books Ltd. Paperback. Book Condition: new. BRAND NEW, Managing Pain: a User's Guide to Acupuncture, Richard Halvorsen, Chronic pain is associated with a host of conditions for which traditional medicine has no cure. Increasingly, medical practitioners look to acupuncture to manage pain and other conditions - with over 1 million people in the UK and 2 million in Australia being helped every year. This readable, practical and comprehensive guide brings together all acupuncture treatments as well as the latest clinical medical research into their effectiveness. In addition, the author has included observations from his own practice. Easy-to-understand ratings make clear where acupuncture is most likely to work for you. For the first time, the effectiveness of acupuncture based on Western medical science (muscle knots) and traditional Chinese medicine (energy channels) are considered side by side. Some of the applications discussed apart from chronic pain: insomnia, stress, stopping smoking, losing weight, migraine, infertility, pregnancy conditions, menopause, nausea, irritable bowel syndrome, cancer, irritable bladder, drug addiction.
