Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Ornaments of the Ministers The subject of ecclesiastical costume, about which so many misconceptions used to prevail, has been made enormously simpler and more secure by the researches of many English scholars, the results of whose work continue to appear in various monographs and transactions, and especially in the publications of the Alcuin Club; and by two Continental writers, - Joseph Wilpert, whose great discoveries in Early Christian art have been enshrined since 1903 in the two priceless volumes of his *Roma Sotterranea*, and who in 1898 published a special book on Early Christian dress, *Die Gewandung der Christen inden ersten Jahrhunderten*; and Francis Xavier Braun, who, in 1897 - 8, published two small books on Christian vestments, in 1907 followed these up with his greater work, *Die liturgische Gewandung*, and in 1912 with his *Handbuch der Paramentik*. Eruditions and judgement, such as have now at last been brought to this subject, could not fail to settle many ancient controversies; the more so for us, since in 1908 the Sub-Committee of the Upper House of the Convocation of Canterbury presented its Report on the Ornaments Rubric, drawn up by five of our most learned bishops, in which the new knowledge was ably summarized. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
