AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****.LUCKY - The Autobiography of a Goldfish is essentially a true story. Embellished only as necessary to facilitate presentation as an autobiography, Lucky s memoir uses vocabulary familiar to Early Readers, yet easily understood by younger children. I first encountered Lucky as Mrs. Wroe gingerly carried the fish toward her classroom in a small, cylindrical aquarium. That is the sickest looking fish I ve ever seen!, I quipped. Candice protectively responded, If you d been through what this fish has been through, you d look pretty sick too! Together, we set up Lucky s new residence and waited for the students to arrive. They were as anxious as I was to hear the story of this latest addition to their pet collection. At morning meeting, Mrs. Wroe recounted the sometimes-terrifying early life of the fish. It is not surprising that the enthralled class decided to name him Lucky. As I listened and observed the student s fascination, it became quite clear that this was a wonderful story for young children, demonstrating both a creature s inborn will to survive and the virtue of human kindness. Somehow, by the end of the day, seated at the computer, I began to imagine how Lucky might like to have his early life remembered. Thus was born his autobiography. As an extra bonus for young readers, Lucky s adopted 2nd grade family thoughtfully drew all pictures; each child assigned a specific page to illustrate. I believe they did a phenomenal job! There is only one illustration where Lucky cannot be seen. See whether you can find it as you read his story.
