Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book has two basic sections: 1) laying out a brief listing and description of key presentations-videos, books, papers, oral testimony-of scientific, political, and forensic evidence that show the government s official conspiracy theory of 9/11 is an absurd cover story for a horrendous false-flag act of state terror perpetrated by a rogue cabal of US and US-allied global control-freak insiders. 2) providing a simple process for spreading the truth about 9/11 by writing personal letters (mainly email)-based on a simple template included in the book-that make sincere requests to friends, family, esteemed acquaintances, and notables to a) seriously view or read at least one such truth presentation, then b) publicly declare their support for a real investigation to bring indictments. The action component (item 2) in After 9/11 Truth serves to measure positive responses and then to propagate the personalized letters further, thus facilitating rapid realization of 9/11 justice.
