Createspace, United States, 2015. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.This book deals with that great field of the Powers of the Mind in which are performed the activities of what has been called Thought Force, Telementation, Mental Influence, Telepathy, Mental Radio-Activity- in short, of the action of mind upon mind over space, at a greater or less distance. It explains the principles involved in the phenomena of Radioactive Thought; of Thought Atmospheres, Thought Waves, Thought Vibrations, Thought Forms, and Thought Contagion. It explains the nature of Personal Magnetism and of Personal Atmosphere. It gives the rules of Thought Induction, and shows that in the latter is to be found the great principle of all Radio-Mentalism, or Radiant Thought Power. It shows why and how Thought radiates from the mind of the thinker, travels over space, and produces effects upon other minds at a greater or less distance from its source. It shows that Thought is as truly a Natural Force as is Electricity; and that its laws of operation very closely resemble those of the latter. It proceeds to furnish you with practical scientific methods whereby Thought Power may be employed and directed by you in the most effective, efficient manner, and with the best results. It also furnishes you with the most practical and efficient methods of Self-Protection-of Protective Immunity and Neutralization. You are shown the laws and principles, and are then taught how to apply and use them with effect.
